

Western Alfalfa & Forage Symposium

December 12-14 | Sparks, NV

- Call for Abstracts -

The California Alfalfa & Forage Association invites you to share your research pertaining to the alfalfa and forage industry with farmers, academics, and fellow researchers at the 2023 Western Alfalfa & Forage Symposium.

The Symposium is an annual event to share information on alfalfa and forage research, economics, trade, and more.

Topics May Include

- Agronomic Practices
- Alfalfa Systems
- Alternative Forages
- Breeding/Genetics/Genomics
- Economics/Trade
- Environment/Climate Change
- Equipment
- Forage Quality/Utilization
- Irrigation and Water Management
- Lab Analysis
- Pest Management
- Soil Health/Fertility

Abstract Guidelines

The abstract is limited to one page, 12-point font, and 1-inch margins in MS Word or PDF. A table, figure, or references may be included as long as the entire document does not exceed one page. Please include the abstract title and identify the abstract topic.

Accepted Speakers

Speakers whose abstracts are selected will receive complimentary registration to the Symposium.

Poster Display

When submitting your abstract, please inform the abstract review committee if you would like your abstract to be considered for poster display.
